DISCIPLINE STUDENTS CMH LMC & IOD

1. It has been observed with great concern that students have developed a tendency of getting late in the morning or miss the lecture / class without prior premission. This creates an exteremly negative impact on their studies and campus discipline. Unbecomingly, they also use mobile phone during the class / lectures which refelects their obnoxious attitude towards learning.
2. To curb such tendency following policy to impose fine is laid down for a healthy learning pursuit:-
 - a. Rs. 1000/- for late comes in 1st lecture
 - b. Rs. 2000/- is absenting from 1st lecture / any single lecture
 - c. Rs. 3000/- Absent for one day
 - d. Rs. 1000 for using mobile during the class / lectures unless otherwsie asked by teacher to google the disease / syndrome.
 - e. For improper dress, Rs.500/- will be fined.
 - f. For any other discipline issue, fine may be charged as imposed by the competent authority.
3. Class attendance will be submitted to DME dept after duly signed by the teacher and respective HODs and stamped accordingly till biometric system is functional.
4. Forward for strict Compliance.
