PRINCIPAL / CHIEF EXECUTIVE

Maj. Gen. Prof. Dr. Abdul Khaliq Naveed, (R)

HI (M)

Dear prospective students,

I am delighted to welcome you to join the 14th Batch of MBBS and the 12th Batch of BDS in our prestigious organization “CMH Lahore Medical College & Institute of Dentistry”

We expect that our students grow into articulate, probing, caring and courteous doctors who are able to express their views cogently and to listen well to others, which reflect not only their professionally sound knowledge but moral & ethical values.

The atmosphere in our institute is a very congenial for learning which includes highly competent faculty and well trained staff in addition to extremely comfortable physical environment which includes lecture halls, Auditorium, Library, Cafeteria, Hostel, Mosque and a highly advanced quaternary care providing Teaching Hospital within same highly secured Campus. Let me share with you with pride that our college is considered among best emerging Institute in the region by leading World Authorities and it is selected as Role Model College of PMDC for visits of dignitaries from abroad and also secured highest marks among Public and Private Medical College i.e. 97.516%

I am sure with keenness to learn and following the rules and regulations of the Institute, you can bring laurels to this institution as the previous batches who left excellent footmarks both Nationally & Internationally.

I congratulate you for selecting our esteemed institution.

May Allah guide you and help you in this endeavor. Aameen.

Pakistan Zindabad

Message

VICE PRINCIPAL / DEPUTY CHIEF EXECUTIVE

BRIGADIER DR. HAROON RASHID, (R) SI (M)

We started our journey since 6th March, 2007. From that time onwards we never looked back and have seen remarkable progress and advancement in all facets of this institution. We initiated from few renovated military barracks to fully equipped modern laboratories, latest training aides, excellent library, one of the best auditoriums in the city, the state of the art animal research lab, helping & caring staff and highly competent faculty for the students to acquire the latest information about medical profession .

In summary, the establishment and progress of this institution matches the best institutions within the country and abroad. In all these institutions our graduates are working in one position or the other and proving their worth and acumen portraying the excellence of their alma mater. The administration has worked along with the teachers to bring this institution to front ranks of the medical world. It is a matter of pleasure that the 14th batch of MBBS and 12th batch of BDS will join us soon to enable us to carry forward the mission of spreading value based knowledge.

I express my deep sentiments of gratitude for the constant support of all the parents and students of the college towards achieving excellence and a better future.

Message

DEAN SHaPE

PROF JUNAID SARFRAZ KHAN

Dr. Junaid Sarfraz Khan is the Dean, School of health Professionals' Education and Postgraduate Studies at CMH Lahore Medical College & Institute of Dentistry. Dr. Khan holds double PhD in Medical Education and is a Breast Cancer & Reconstructive Surgeon trained at the Royal Free, The St. Bartholomew's and the Royal Landon Hospitals amongst others abroad and in Punjab Pakistan. Prof. Khan also holds the post of Director, Office of Research, Innovations and Collaborations at the College. Formerly Dr. Junaid Sarfraz Khan served as the Pro-Vice Chancellor at the University of Health Sciences since 2013 and the Acting Vice Chancellor of University of Health Sciences in 2017. With over 50 publications in peer-reviewed journals in the area of Medical Education, Dr. Khan is one of the leading medical educationists in the country, regularly contributing to both national and international seminars, conferences and symposia. Dr. Khan has trained many medical educationists in the country and abroad and is actively involved in faculty development programs of various universities. He is an adjunct Professor at Khyber Medical University. His area of interest in medical education lies in medical professionalism, curriculum development and assessment and evaluation.

Dr. Khan at CMH LMC & IOD is introducing the Masters and PhD programs in medical education, bioethics, health economics and management, providing support to faculty development programs and both under graduate and post graduate clinical and basic sciences programs. He aims to link technology with education and promote research in the region, through capacity building and establishing research groups.

Alliance

About the College

CMH Lahore Medical College was established in the year 2006. It is located near the premises of Combined Military Hospital Lahore in the secure and serene environment of Lahore Cantonment. The College occupies a total area of about 12 acres.

Inauguration of the New Campus was held on 16 January 2010 by the Prime Minister of Pakistan. The new campus is a purpose built building, which is one of the most beautiful structures in the metropolitan city. It is a fine blend of architecture, accessibility and comfort.

The campus consists of well equipped and state-of-the-art lecture rooms for each department, Anatomy dissection hall, tutorial rooms, laboratories, library, computer lab, auditorium, cafeteria, book shop, sports complex and a spacious parking area.

Library

The college library provides access to multi disciplinary informatics in print and digital formats. Library is being continuously upgraded to provide valuable learning and research tools. It regularly subscribes to a number of national and international journals and magazines. Its premises create ambiance of an intellectual sanctuary wherein the students can concentrate on their studies. The library also fulfils the teaching and research needs of college faculty.

Academic Standing of the College

CMH Lahore Medical College since its inception is endeavoring to be the leading medical education institute not only in the province but the entire country. UHS/NUMS results reflect the academic standing of this college.

Student Categories

Local Student

The term Local means: -

- ▶ Any person having Pakistani Nationality.

Foreign Student

The term Foreign means:-

- ▶ Foreign National and / or Pakistani having dual nationality / foreign resident status.
or
- ▶ Children of expatriates who have passed local or foreign examination equivalent to intermediate level of Pakistan from a Foreign University or Foreign Education System holding valid NICOP.

Note: Pakistani students having certificates from foreign education system (i.e. O Levels, A Levels etc) in Pakistan shall not be eligible for foreign quota seats.

Eligibility Criteria (Local & Foreign Student)

F.Sc. / qualification equivalent to F.Sc. from a foreign university or foreign education system with three science subjects out of which Biology and Chemistry are essential subjects with a minimum of 70% marks in aggregate (without marks of NCC or Hifz-e-Quran). The third subject can either be Physics or Mathematics. The equivalence of IBCC will be required for foreign certifications.

There is no minimum or maximum age limit for admission in MBBS/BDS Course. Due to the peculiar nature and demand of the profession a candidate should possess adequate mental and physical health.

If the medium of instruction two years prior to application for admission/entry test is not English the candidate will be required to present a valid TOEFL or IELTS with a minimum score of 500 or 5.5 respectively.

- **NUMS Entry Test** The affiliated university for **Admission Session 2019-20** will be **National University of Medical Sciences (NUMS)** Rawalpindi. NUMS entry test will be conducted by NTS. NUMS Entry Test will be held on **06 Oct 2019** for admission in CMH Lahore Medical College and Institute of Dentistry as a local candidate. Entry Tests other than NUMS are also acceptable for admission.
- **SAT-II Exam** Valid SAT-II Exam scores can be utilized for merit calculation for foreign seats. **SAT-II examination** is acceptable with minimum 550 marks in each of the three subjects of which two have to be Biology and Chemistry, the third subject can be either Physics or Mathematics.
- **The validity of NUMS entry test is 1x year, hence the NUMS entry test undertaken only during the admission year is acceptable. However, the SAT-II score are valid for 2 x years. Admission will be strictly on merit.**
- **Ineligibility** A student, who has availed four chances to clear the first and second professional MBBS / first Professional BDS exam and has been expelled on that account, shall **NOT** be eligible for continuation of medical / dental studies and shall **NOT** be eligible for fresh admission. Any student having incomplete results / academic documents on the closing date for admission application will not be considered for admission.

The complete admission process shall be taken care by National University of Medical Sciences (NUMS).

Confirmation of Admission

Admission of the selected students will be confirmed only after they have deposited the college admission, tuition and other fees as prescribed within specific days of announcement of the result by college. If a seat is not confirmed by due date, it will be offered to the next candidate on the merit list. Once a student is admitted in the college, his Matric, F.Sc, and other certificates will be verified from respective board by NUMS. If the documents are found incorrect, the admission will be cancelled and the fees/ dues will not be refunded. In case of students with same merit position, preference will be given to the student who will be older in age.

Admission / Selection Process

Qualification / Test		Weightage
F.Sc. / equivalent	=	50%
NUMS / Other Provincial Entry Test	=	50%
OR		
SAT-II for Foreign Students		

Qualification Equivalent to F.Sc.

American High School Diploma and A level students should submit Equivalence Certificate of IBCC (Inter Board Committee of Chairmen) at the time of submission of the application form. **No Equivalence Certificate will be accepted after the last date of submission of applications.** A provisional certificate by IBCC is also acceptable for initial submission of application form. Annual laundry charges Rs. 9,600/- (Rupees 800/- per month) will be charged. In case of long vacation unutilized balance under this head will be refunded along with hostel security after hostel clearance.

Refund of Hostel Dues

- Hostel security, unutilized hostel room rent, mess dues & laundry charges will be refunded after hostel clearance.
- Filled hostel clearance form is required to be submitted to the Accounts and Finance Dept for the processing of refund case.

General Instructions Regarding Fee Deposit

- All figures quoted in the fee rates are subject to change without notice.
- The dates for payment of the fee are fixed and are notified in the beginning of year on notice boards.
- The college administration does not take responsibility of sending reminders to parents / guardians for the payment.
- Students will not be allowed to appear in the University Examination unless all dues are fully cleared prior to the University Examination.
- Fine and penalties are as under;
 - A fine of Rs 100/- per day will be charged if fee is paid within 31 days after due date.
 - A fine of Rs 200/- per day will be charged if fee is paid after next 31 days after due date.
 - If a student fails to pay after 61 days (without valid reason) of due date, he will be suspended from attending classes till he / she pays the dues with fine.
 - If a student does not pay after 91 days of due date without any written permission, he / she will be suspended from the college rolls. In case of re-admission he / she will have to pay full admission fee.
 - Last date for depositing of annual dues is 31st August of every year for MBBS from 2nd year onward.

Code of Conduct

All students are advised to read the rules carefully and abide by these rules as envisaged in the prospectus, college notification and their modifications as and when issued. Violations of these rules tantamount to breach of college discipline. The case will be investigated by senior members of the staff and will be forwarded to the college **Disciplinary Committee** for further investigation and its recommendations will be forwarded to the Principal for further necessary action.

General Rules

- The students must wear their identification cards on a lanyard at all times while in the college premises and hospital.
- All students must maintain the decorum of the college through decent and respectable behavior. Students are forbidden to sing, whistle, hoot, create noise, use abusive language, fight and indulge in any unseemly behavior, politics or activity in the college premises at any time.
- No student is allowed to loiter and move aimlessly in and around college premises or waste his / her time in college cafeteria extensively.
- Students have to be present in time, at any specified activity of the college.
- Student's notices / messages will only be displayed on the notice board placed by the college authorities with the approval of the Principal.

Moral and Ethics

The students must essentially display the highest moral and ethical standards at the college, hospital and hostels with conduct par excellence.

College and Government Property

The care and safety of all the property used by students will be ensured by themselves by preventing any willful damage, loss or theft. All damages in any form caused by the students due to their negligence or deliberate act shall be repaired at the expense of the student/ students responsible for the negligence. Walls, fixtures, furniture, models, specimens, charts, skeletal bones, audiovisual teaching aids, notice boards etc. shall not be defaced, mutilated or damaged in any way or form.

Dress Code

The wearing of prescribed dress has peculiar importance in medical profession and all students must take pride in their identity. Any student found improperly dressed will be marked absent for the whole day. A habitual defaulter in this regard will be dealt with appropriate disciplinary action.

Male Dress Code

- White shirt with full sleeves
- Grey trousers
- College necktie
- Maroon blazer with logo on pocket (in winter)
- White Overall
- Black Socks
- Black Oxford or any other shoes

Female Dress Code

- Full sleeves kameez of any sober colour with white dopatta
- White Shalwar
- Maroon blazer with logo on pocket (in winter)
- White Overall
- Sober foot wear

Attendance

- **The Attendance should be 100% in all lectures / practicals / clinical sessions.** As per requirements of NUMS & PMDC, a **minimum attendance of 75% is MANDATORY “individually” in each subject** being taught in that year (in lectures / practicals / clinical sessions), in order to qualify for appearing in NUMS annual exam.

This will be strictly enforced.

- The margin of 20% of absence in lectures, practicals, tutorials, demonstrations and clinical wards is desired to cover absence only on account of sickness or any emergency if considered justifiable by the Principal.
- Repeated absence from lectures, practicals, tutorials, demonstrations and hospital clinical wards, without any justified reasons, will make a student liable for punishment.
- The students must periodically check their attendance record from concerned departments.
- For leave or absence, the students must apply in writing and get it countersigned by all HODs before submitting at the Principal office. The reasons for his/her request should be clearly mentioned. In all cases, leave taken will be at the student's own risk as far as the percentage of the attendance is concerned; even the medical certificate will not condone for any deficiency in attendance.

Academic Performance Assessment

Attaining of 50% marks individually in each subject in Class tests / Module test / Mid term / Final term / Pre-Annual examination is **MANDATORY**. A student can be dropped from appearing in University Exam by the Principal on account of poor academic performance.

Class/ Ward Discipline

Teachers and students maintain a highly professional interaction in the academic sessions which is a very distinct feature of the college, and the same has to be continued at all times. Students must switch off their cell phones before they enter the lecture room, laboratory, library and wards. Punctuality regarding class/ ward timings and maintenance of proper discipline in the classrooms, practicals, demonstrations, tutorials and ward is mandatory.

Peaceful Environment

The maintenance of a safe and secure environment in the campus, hospital and hostels has immense importance in a professional institute. The college accords the highest priority to this vital aspect.

Correct Attitude & Behaviour

The students are completely facilitated to devote themselves in their professional studies and expected to shun unwanted societal trends. The possession and use of weapons and substances of abuse, keeping of objectionable materials or pets and smoking etc are totally forbidden in the campus, hospital and hostels.

Examination

- Textbooks, notes and cellular phones are not allowed in the examination hall.
- Any student coming 10 minutes after the start of the paper will not be allowed to take the examination.
- NUMS Professional Examination Admission form will be processed only after the clearance from Accounts and Finance Department.

Use of Unfair Means In College & University Examinations

Any student involved in using unfair means / impersonation will be liable for disciplinary action which may tantamount to expulsion / cessation of all academic activities as per rules of National University of Medical Sciences (NUMS) Islamabad PM & DC.

Politics and Religion

- Political activities of all types are prohibited in the college and hostel premises. Involvement of the students in any sort of political, sectarian, ethnic and other such activities in campus, hospital and hostels is viewed with **zero tolerance** by the college administration. Undertaking to that effect will be obtained from the students and their parents.
- No political and objectionable gathering and meetings of students will be allowed in the premises of college and hostels.
- No student should address any conference including press conference, nor write to the press, electric, social media on a political or related subject or matter concerned directly with the administration of the college or any government or educational institution, university etc in Pakistan or abroad.
- No religious ceremony likely to hurt the feelings of other students/ boarders shall be performed in the hostel.

Law and Security

The laws of the country and the common rules about security of information, men and materials regarding Armed Forces will be strictly followed by the students. The security officer of college and hospital will be apprising the students on need basis.

Liaison with Parents / Guardians

Parents / guardians will be kept informed of the academic performance of the students on regular basis. However, ensuring correctness of correspondence address and contact details of parents is the responsibility of students / parents / guardians.

Hostel Discipline

Our excellent hostel buildings equipped with the modern facilities have been recently constructed to ensure a student-friendly environment with comfortable living standards. The hostelites are expected to enjoy their stay without any distraction and disturbance. Hostel wardens facilitate maintenance of a congenial environment in a disciplined manner.

Hostel Rules

- Every student shall be in his/ her room at 08:00 p.m. in the summer and in the winter except those who are on official duty in hospital. These timings are subject to change if so required by the administration.
- Boarders are prohibited from leaving the hostel after the above mentioned time. Any boarder, who wishes to stay out after this time, shall take prior permission from the warden. Late comers in the hostel will first report to the warden of their hostel before proceeding to their rooms.
- The Students must keep their rooms in hostel neat, clean and tidy.
- College is not responsible for loss of any property, valuables and jewellery etc. of the boarders.
- No females are allowed to visit or stay in boy's hostel and vice versa.
- Parents of female students will provide photograph and photocopy of the National Identity cards of three visitors nominated by them to the college authorities who are authorized to visit their daughter at the hostel.
- In dealing with any breach of discipline / infringement of rules and regulations mentioned above, the Principal may decide to order appropriate penalty including apology (verbal or written), fine, temporary suspension from the college, removal from the hostel or after due concurrence of College Discipline Committee/ Academic Council expulsion from the college and rustication.
- Use of unauthorized electrical items like electric heaters / blowers, electric kettle, microwave / electric oven / electric iron can result in short circuiting, hence are strictly forbidden to be used in hostel rooms.
- Parents/ guardians are expected to cooperate with the authorities of the college by prevailing upon and motivating their wards not to take part in any antisocial activities.

Note: Infringement of these rules is a serious offence.

Disciplinary Committee

The college **Disciplinary Committee** keeps effective watch over maintenance of discipline and enforces the code of conduct in routine daily matters. A team nominated by the Principal, will comprise the committee. In cases of any breach of discipline, the decision taken by the Principal will be final and can't be challenged. The committee will meet on quarterly / required basis.

Composition

The composition of the disciplinary committee is as under:-

President: Brig Haroon Rashid, (R) SI (M)
Vice Principal / Dy Chief Executive

Members:

- Prof. Dr. Muhammad Qasim Saeed
Dean, IOD
- Prof. Dr. Brig Abdus Sattar, (R) SI (M)
HOD Pathology
- Prof. Dr. Maqbool Ahmed Khan
HOD Behavioral Sciences
- Prof. Dr. Muhammad Siddique
Medicine Department
- Brig. Zaheer Akhtar
DME (Director Medical Education)
- Lt. Col. Khizar Iqbal Mufti (R)
MOI/C Infirmary

Disciplinary Actions

Various disciplinary actions taken by the committee according to the nature and degree of violation of rules by the students after deliberations of the committee can be as under:-

- Withdrawal from College rolls.
- Debarment from all academic activities.
- Cancellation of hostel allotment.
- Cancellation of leave.
- Cash fines.
- Extra library sittings.
- Ban to visit cafeteria and hostel.
- Formal warning with information to parents / guardian.
- Disallowing to apply for university examination.

Infirmary

A well equipped unique Medical Facility at CMH LMC & IOD to take care the health matters of Students, Faculty and Staff at their own Alma mater for prompt and timely health care consultation and Management.

Dr. Lt Col Khizer Iqbal Mufti (Retd) is the care taker of this Medical Setup as Senior Medical Officer, who is a graduate of Army Medical College having done his MCPS in Family Medicine and Master's in Advance Medical Administration from Quaid-e-Azam University Islamabad. He is also governing the Hygiene & Sanitation of the Campus and monitoring the Mess standards & other comestibles being provided to students & Staff.

College Faculty

Department of Medical Education

Brig Zaheer Akhtar
Director of Medical Education

Brig Zaheer Akhtar is a graduate of Army Medical College Rawalpindi. Holds Masters Degree in Medical Administration from Quaid-e-Azam University Islamabad and Diploma in Aerospace Medicine from Aero Medical Institute Karachi. During his illustrious career in Armed Forces he held various command and staff appointments of Medical Establishment both inland and abroad. He has served as Flight Surgeon in Pakistan Air Force and Royal Air Force, Saudi Arabia. He has Commanded Combined Military Hospital Dera Ismail Khan, Pakistan Air Force Hospital Mianwali, Heavy Industries Taxila Hospital and Combined Military Hospital Okara. He also served as Director Medical Service Southern Command Baluchistan. In his credit a tangible

contribution in provision of Medical Support in Southern Command, Baluchistan and improvement of served health care facilities, with special emphasis on patient care.

Lt Col M. Saad Ullah Khan Sumbal (Retd)
Assistant Director Medical Education (Student Affairs)

Lt Col M. Saad Ullah Khan Sumbal (R) is a graduate of Army Medical College Rawalpindi (1985). Holds masters degree in administration from Quaid-e-Azam University Islamabad. An alumnus of Aeromedical Institute Karachi, he served as a distinguished flight surgeon in Pakistan Air Force and Army Aviation. He is recipient of postgraduate certification in Public Private Partnership Projects and Effective Project Management from Pakistan planning and management institute Islamabad. During his illustrious career in Armed Forces he has held various command and staff appointments of medical establishments both inland and abroad. He has served as an evaluator and instructor of diverse healthcare establishments in Punjab during his 3

year stint with Punjab Healthcare Commission. He has to his credit a tangible contribution as a co-author in compiling reference manual of minimum service deliver standards (MSDS) by Punjab Healthcare Commission.

Lt Col Dr. Nadeem Yar Khan (Retd)
Assistant Director Medical Education (Academics)

Lt Col Nadeem Yar Khan (Retd) is graduate of AM College Rawalpindi, a member of CPSP in Family Medicine and Masters in Medical Administration from Qaide-e-Azam-University. Certified in Medical teaching and innovative learning from UHS, with collaborate of Liverpool (USA).

Facilitator and Post Graduate trainer in communication skills and inter-personal skills and counseling Mentor in art of Public Speaking and Motivation. Has conducted more than 400 training workshops and trained more than 12000 doctors & specialists from all Medical disciplines and counting.

Prof Junaid Sarfraz Khan

MBBS, B.Sc, F.C.P.S (Gen. Surg.), F.R.C.S (Glasg),
Dip Med. Edu. (UK), MED (ELM), Ph.D (Med Edu)

Dean of SHaPE

Dr. Junaid Sarfraz Khan is the Professor of Medical Education at CMH Lahore Medical College & Institute of Dentistry. Dr. Khan holds a Ph.D in Medical Education and is a Breast Cancer Reconstructive Surgeon trained at the Royal Free, The St. Bartholomew's and the Royal London Hospitals. Formerly, Dr. Junaid Sarfraz Khan served as the Pro-Vice Chancellor at the University of Health

Sciences since 2013 and the Acting Vice Chancellor of University of Health Sciences in 2017. With over 50 publications in international peer-reviewed journals in the area of Medical Education, Dr. Khan is one of the leading medical educationists in the country, regularly contributing to both national and international seminars, conferences and symposia. Dr. Junaid Sarfraz Khan has trained many medical educationists in the country and abroad and is actively involved in faculty development programs of various universities. His area of interest in medical education lies in medical professionalism, curriculum development and assessment and evaluation.

Dr. Khan at CMH LMC & IOD is introducing the Masters and Phd programs in medical education, bioethics, health economics and management. He is also providing support to faculty development at both under graduate and post graduate clinical and basic sciences programs.

Dr. Rizwana Kamran

MBBS, MHPE

Assistant Professor of Medical Education Department

She is a graduate of Baqai Medical University and then worked in Pharmacology Department of Lahore Medical & Dental College, Lahore. Dr. Rizwana did her MHPE from University of Lahore and published three research papers. She also attended several workshops and conferences on Medical Education and contributed to academic research & development at University of Dammam, KSA. She won the first prize for her presentation in an international medical

education conference.

Dr. Muhammad Nadeem Yar Khan

Department of Biochemistry

Department of Biochemistry like other departments has been established on the basis of the fundamental requirements of Pakistan Medical and Dental Council. It has a well equipped laboratory being managed by qualified and experienced technical staff. Biochemistry laboratory is equipped with all essential lab equipments to perform experiments. The equipments include centrifuges, temperature controlled water bath, spectrophotometers, hot air oven, magnetic stirrers, digital balance, electric water distillation apparatus and microscopes etc.

Maj. Gen. Prof. Abdul Khaliq Naveed (R) HI (M)

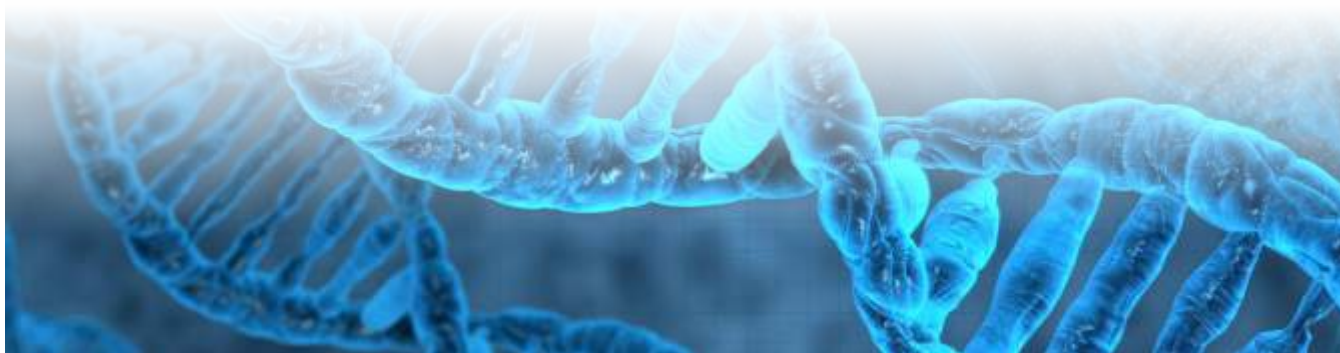

MBBS, M. Phil (Bioch), FCPS (Chem Path), FNAMS, Ph. D (Biochem),
CHPE (Med Edu), FRCP (Glasgow)

Professor of Biochemistry

He graduated from Nishtar Medical College in 1981 and served in Pakistan Armed Forces for 33 Years and retired as Maj Gen in 2014. He had been teaching the subject of Biochemistry in Army Medical College Rawalpindi since 1984. Achieved M. Phil in 1988, Doctorate in 1999, FCPS Chemical Pathology in 2002, FNAMS in 2003 and FRCP in 2007.

He is a member of the College of Physicians & Surgeons BMS Faculty since 2016 to date. He had the honour of holding the post of Dean of Army Medical College, NUST for 7 years and Riphah International University for 3 years and remained a member of PMDC from 2010 to 2017. Presently he is also Chairman Technical Advisory committee of Pakistan Medical Research council from 2015 to date. He has numerous National & International publications and so far supervised training of 42 M Phil, 13 FCPS and 13 Ph.D post graduates in the subject of Biochemistry.

He has written three Books on Biochemistry and established a Research Centre for Biotechnology at Army Medical College Rawalpindi. For his meritorious services he had received numerous National & International Awards including 1. Best Teacher Award by Higher Education Commission of Pakistan, 2. President Gold Medal for the Best University Researcher Award of NUST 3. Best scientist of the year Gold Medal by Pak Academy of Sciences in Medical Sciences and Hilal-e-Imtiaz Military. He is presently working as Principal, Chief Executive Officer & Prof of Biochemistry of CMH Lahore Medical College and Institute of Dentistry since Dec 2017.

Professor

Dr. Naheed Z. Razwi did her M.Sc. (Biochemistry) in 1975 from University of Agriculture, Faisalabad, M.Phil. (Biochemistry) in 1983 from Postgraduate Medical Institute, Lahore, and Ph.D (Biochemistry) in 2010 from Punjab University, Lahore. Joined as Lecturer in biochemistry in Fatima Jinnah Medical College, Lahore. Worked there for 11 years as Associate Prof. & Head, Biochemistry department. She has worked in Dubai Medical & Dubai Pharmacy

College for Girls Dubai, UAE, for 17^{1/2} years. She has been teaching Biochemistry at undergraduate and postgraduate level since 2005 at various medical Institutes. Her scientific papers have been published in various National and International scientific journals. Presently she is working as professor and head of biochemistry department.

Combined Military Hospital, Lahore

Teaching Hospital of CMH Lahore Medical College

Dr. Nasir Javed Malik
MBBS, M.Sc. (Med Adm)
Commandant, CMH Lahore

CMH Lahore then Past

British Military Hospital (BMH) Lahore was raised in 1845. In 1942, another hospital known as Indian Military Hospital (IMH) was raised near RA Bazar. In 1943, BMH and IMH were amalgamated into one hospital and renamed as Combined Military Hospital Lahore.

When Pakistan came into being in 1947, Combined Military Hospital Lahore was only a 200 bedded hospital. In 1982, it became Class 'A' hospital and its capacity was enhanced to 800 beds. In the year 2004, it was further increased to 1000 beds. On 29 Mar 2008; another milestone was achieved when President of Pakistan General Pervaiz Musharraf inaugurated a 75 bedded state-of-the-art Army Cardiac Center within the premises of CMH Lahore.

Present

Located in the hub of Lahore on Abdur Rehman Road in Lahore Cantonment near Fortress Stadium, CMH Lahore now provides indoor and outdoor treatment to army and civilian patients. It is recognized by PM & D C for house job training and by College of Physicians & Surgeons Pakistan (CPSP) for FCPS part II training in various medical and surgical specialties. The hospital has highly qualified and experienced specialists in medical, surgical and allied disciplines. 5 bedded state-of-the-art Army Cardiac Center within the premises of CMH Lahore.

- Combined Military Hospital Lahore plays a pivotal role in the training of our undergraduate & postgraduate students. Following departments of hospital are recognized by CPSP for Post graduate training:-
 - Medicine
 - ENT
 - Chemical Pathology
 - Urology
 - Dermatology
 - Histopathology
 - Paediatrics
 - Psychiatry
 - Radiology
 - Gen Surgery
 - Anaesthesia
 - Thoracic Surgery
 - Orthopaedics
 - Ophthalmology
 - Nephrology
 - Haematology
 - Microbiology
 - Gastroenterology
 - Gynae & Obstetrics
 - Physical Medicine & Rehabilitation
 - Neonatal Paediatrics

CMH Lahore has a highly qualified faculty. Doctors and consultants regularly enhance their teaching and learning skills by attending various seminars, workshops and symposia. Our consultants have presented at national and international conferences. They are frequently invited by other medical colleges to deliver lectures and share their experiences.

Army Cardiac Centre Lahore

Teaching Hospital of CMH Lahore Medical College

Capabilities

Army Cardiac Centre is a masterpiece of architecture, and houses one of the most modern, well equipped Cardiac Centre of the country with state-of-the-art diagnostic and operative facilities.

This 75 bedded Cardiac centre is fully equipped to manage all types of indoor and outdoor cardiac cases and emergencies. There are two Cath Digital Labs with all facilities for carrying out all interventional cardiology procedures including angiography, intra-vascular ultrasound; angioplasty and coronary stenting using both the arm and the leg approach and temporary / permanent cardiac pacing.

The two Operation Theaters of this Cardiac Centre are specially designed and are state-of-the-art modular operation theaters imported from Germany, to cater for all aspects of cardiac surgical procedures. It is equipped with laminar airflow system and separate air conditioning for both. The theaters are thus creating a totally infection free environment

Hand & Upper Limb Surgery (HULS) Centre

Teaching Hospital of CMH Lahore Medical College

HULS deals with medical & surgical problems affecting the hand & upper limb, including hand & upper limb injuries (soft tissues, bony, and joints), arthritic hand & upper limb diseases, paralytic problems, tumors, arthroplasties and nerve injuries including brachial plexus injuries.

This centre is a referral institute and receives cases from all CMHs, Naval, PAF and Civil hospitals. This centre is renowned for its research activities. Apart from invention of artificial ulna, the electric hand (shulja), invention of HULS centre was awarded 1st prize (\$6000) in international hand surgery conference at Hong Kong in 2012. Apart from clinical training HULS Centre inculcates aptitude of research in the medical students visiting HULS during clinical rotations.

Department of Medicine & Allied

Department of Medicine is the major department of Combined Military Hospital and CMH Lahore Medical College. It is a highly specialized department and is the hub of clinical and educational activities. All the major sub-specialties are well established and are providing state of the art care to their patients. There are three general medical units headed by very experienced specialists. In addition, there is well equipped 13 bedded medical intensive care unit.

Department of Dermatology

The department of dermatology is a state of the art tertiary care providing department. It consists of an outpatient department and 20 bed indoor unit. The department provide services of cryotherapy, electrocautery, chemical peeling, photodynamic, PUVA, NBUVB therapy, IPL, CO₂ and NDYAG Lahore. The department is fully accredited by CPSP for both FCPS and MCPS and at present 10 students are undergoing post graduate training. The department of dermatology CMH Lahore Medical College regularly organize biannual 2 week prolong National Dermatology Preparatory Courses for post graduate students to prepare them for practical Examination of CPSP and till date have organized 25 courses in which more than 800 Department has also started holding National Basic Concept Courses and second courses was organized from 25th to 29th Sept 2019 in which 21 students from Lahore, Rawalpindi, Sialkot and Faisalabad participated.

Dr. Rehan Uddin

MBBS (1983), FCPS (Dermatology 1994). MCPS (HPE 2011)

Professor & Head of the dermatology department

Director : Faculty Development

The department is headed by dermatology & educational brig ® Rehan Uddin who is one of pioneer fellows in the field of dermatology in Pakistan. He did his graduation from army medical college in 1983 and fellowship in dermatology in 1994. He is supervisor and examiner of CPSP since 1998 and also remained faculty member of CPSP. Did his Masters in Health professional education from CPSP in

2014. He has the honor of training more than 70 post graduates members and fellows on dermatology while serving as head of department of dermatology in CMH's of Multan, Sialkot, Quetta, Lahore and PNS SHIFA Karachi. He initiated National dermatology preparatory Courses in 2005 and till date he is organize them regularly biannually. He is also holding the portfolio of Director of faculty development department. In this capacity he regularly conducts, essential supervisory workshops of CPSP and has so far trained more than 500 supervisors of CPSP of different specialties during Educational Planning & Evaluation, Assessment of competence and supervisory skills workshops in all major cities of the country. He has the honor of introducing the concept of faculty development in esteemed institutes like Naval War College, CSS Academy Lahore and Baharia University Lahore Campus. Within own Institutes he has planned and organized 38 workshops focused on learning and teaching skills, assessment techniques, presentation skills, time management, curriculum development and analysis. He believe in helping students to learn strategies for effective and quick learning with less efforts in this era of information overload.

UNDERTAKING- MBBS/BDS

*(To be signed by the candidate and parents
at the time of submission of admission form on Rs.100/- stamp paper.)*

I _____ Son/Daughter of _____

Declare that the information provided in the application form is correct. I have read and understood the terms and conditions of the admission procedure.

I undertake to abide by the "Code of Conduct" of CMH Lahore Medical College and other rules, regulation and instructions issued by the administration from time to time. Moreover I declare that I have been informed that:-

I have to ensure at least 75% attendance "**Individually**" in each subject being taught in that year (in lectures / practicals / clinical sessions) and 50% marks in the class tests / send up examination; otherwise the college administration may not allow me to appear in the university examination. The attendance of subjects not being examined in the same year will "**also be carried forward till the year of examination of that subject and will be included in minimum 75%**" attendance calculation for being eligible to appear in university annual examination.

I have read over and understood the college refund policy.

If I get detained in the previous class, I will pay 100% annual fee (Tuition and other charges) for the existing class irrespective of the No of failed subjects. .

Any type of leave, including medical leave, granted to me during the course of studies will not condone a deficiency in attendance.

The college administration can take any disciplinary action, including expulsion from the college, on violation of discipline and in such cases the decision of the principal will be final.

I am not suffering from any physical or mental illness.

I have adequate financial resources to support my studies at the college. I fully understand that fee, once paid will be refundable as per PM&DC regulations, where applicable, I will not object to any additional charges levied in the future by the Government, University or College.

I, solemnly declare that I have not been expelled from any medical college for any reason what so ever and I have not been disqualified on completion of admissible chances to appear in 1st professional MBBS / BDS from any Medical / Dental College of Pakistan.

I hereby solemnly declare that I have not been convicted by any court of law nor I am under trial in any where in Pakistan / Abroad.
