## Code of Conduct

All students are advised to read the rules carefully and abide by these rules as envisaged in the prospectus, college notification and their modifications as and when issued. Violations of these rules tantamount to breach of college discipline. The case will be investigated by senior members of the staff and will be forwarded to the college Disciplinary Committee for further investigation and its recommendations will be forwarded to the Principal for further necessary action.

## General Rules

- The students must wear their identification cards on a lanyard at all times while in the college premises and hospital.
- All students must maintain the decorum of the college through decent and respectable behavior.
- Students are forbidden to sing, whistle, hoot, create noise, use abusive language, fight and indulge in any unseemly behavior, politics or activity in the college premises at any time.
- No student is allowed to loiter and move aimlessly in and around college premises or waste his / her time in college cafeteria extensively.
- Students have to be present in time, at any specified activity of the college.
- Student's notices / messages will only be displayed on the notice board placed by the college authorities with the approval of the Principal.

## Moral and Ethics

The students must essentially display the highest moral and ethical standards at the college, hospital and hostels with conduct par excellence.

## College and Government Property

The care and safety of all the property used by students will be ensured by themselves by preventing any willful damage, loss or theft. All damages in any form caused by the students due to their negligence or deliberate act shall be repaired at the expense of the student responsible for the negligence. Walls, fixtures, furniture, models, specimens, charts, skeletal bones, audiovisual teaching aids, notice boards etc. shall not be defaced, mutilated or damaged in any way or form.

## Student Attendance

- Each student is expected to attain **100% attendance**, However, currently a minimum attendance of **75% is MANDATORY** in each subject / block / semester (including lectures, practicals, tutorials, Small Group Discussion (SGD), Case Based Learning (CBL), Problem Based Learning (PBL), demonstrations, and clinical wards) to qualify for appearing in the professional exam. The margin of **25% of absence** is only on account of sickness or any emergency for which leave can be applied, which will be approved if considered justified by the CE/Principal or his designee. Students are given complete visibility of their attendance on their **Student Attendance Portal** and they must regularly check their attendance records.

If a student requires leave, it must be applied through the **Student Leave Portal** and can only be applied / granted to students whose overall academic attendance is **above 75% at the time of applying leave**. The reason for the applied leave must be clearly mentioned. Leave taken will be at the student's own risk as **leave periods will be considered as absences**, but no fine will be imposed for missed academic activities during approved leave period. **Attendance will not be adjusted against any type of leave**. If the leave is **rejected** by the approving authority and the student misses any academic activity, he / she will be considered and counted as absent without leave with imposition of penalty as applicable.

- **Absences without leave** from any training activity including lectures, practicals, tutorials, demonstrations, and clinical wards etc. will make the student liable for imposition of fine. Repeated absences from training will make a student liable for disciplinary action.

## Academic Performance Assessment

Academic assessments are conducted under the oversight of the Institutional Examination Cell to ensure quality assurance. Students are evaluated through a structured assessment program comprising Class Tests, End-of-Module (EOM), End-of-Block (EOB), Mid-Term, End-of-Semester, Pre-Annual/Send-Up, and University Professional examinations, conducted in accordance with approved curricula and standardized assessment principles to ensure fairness, reliability, validity, and transparency.

To qualify for progression and promotion, students must secure a minimum of 50% marks in each subject independently in both internal and external examinations. The Principal reserves the right to withhold a student from appearing in university examinations on grounds of unsatisfactory academic performance. In line with evolving educational and quality-assurance standards, pass criteria may be enhanced in future by PM&DC to further strengthen academic competence and graduate outcomes.

## Class / Ward Discipline

Teachers and students maintain a highly professional interaction in the academic sessions which is a very distinct feature of the college, and the same has to be continued at all times. Students must **switch off their cell phones before they enter the lecture room, laboratory and wards**. Punctuality regarding class/ ward timings and maintenance of proper discipline in the classrooms, practicals, demonstrations, tutorials and ward is mandatory.

## Peaceful Environment

The maintenance of a safe and secure environment in the campus, hospital and hostels has immense importance in a professional institute. The college accords the highest priority to this vital aspect.

## Politics and Religion

Political activities of all types are prohibited in the college and hostel premises. Involvement of the students in any sort of political, sectarian, ethnic and other such activities in campus, hospital and hostels is viewed with zero tolerance by the college administration. Undertaking to that effect will be obtained from the students and their parents.

No gathering and meeting of students will be allowed in the premises of college and hostels. No student should address any conference including press conference, nor write to the press on a political or related subject or matter concerned directly with the administration of the college or any government or educational institution, university etc in Pakistan or abroad.

No religious ceremony likely to hurt the feelings of other students/ boarders shall be performed in the hostel.

## Social Media Policy

Students are to refrain from commenting or engaging in the posting of any content on websites and social media that could potentially harm or disrespect the government institutes. Users are expected to exercise their freedom of expression responsibly, without promoting divisive or harmful content that could undermine the values of unity and respect.

# Institute of Nursing

## CMH Lahore Medical College & IOD

Located within the prestigious academic environment of CMH Lahore Medical College and the Institute of Dentistry, the Institute of Nursing stands as a beacon of excellence in nursing education. With a rich history of training skilled professionals, the Institute transitioned from traditional diploma programs to a specialized BSN Generic Degree in 2014, aligning its curriculum with global healthcare standards. To date, the Institute has successfully graduated eight batches of BSN professionals. Our competence-based curriculum is meticulously designed to bridge the gap between theory and practice, ensuring our graduates are prepared to maintain Professional integrity by leading with accountability in diverse healthcare settings and provide:

- Competent clinical care by mastering the technical rigors of modern medicine.
- Compassionate service by upholding the ethical and humanistic values of the nursing profession.

Our greatest strength lies in our diverse and highly qualified faculty. We pride ourselves on a teaching staff that spans from **Graduate to PhD** levels, bringing a wealth of academic and practical knowledge to the classroom. Through a **competence-based curriculum** and mentorship from a faculty, we empower our graduates to provide nursing care that is not only professionally superior but deeply compassionate. This commitment to academic growth ensures that our students receive mentorship from the finest minds in the field.

- **Clinical Expertise:** Our educators are also experienced clinicians, ensuring that students receive training that is grounded in real-world hospital environments.
- **Comprehensive Education:** Beyond core nursing and allied health courses, our curriculum includes essential general education subjects such as **English, Islamiat, and Pakistan Studies** to develop well-rounded, socially conscious professionals.
- **Institutional Synergy:** Students benefit from the robust support and combined resources of CMH LMC & IoD, creating a rich interdisciplinary learning environment.

### State-of-the-Art Facilities

We believe that mastery comes through practice. To facilitate this, the Institute provides:

- **Advanced Skills Labs:** Equipped with simulation technology to bridge the gap between theory and clinical practice.
- **Science Laboratories:** Dedicated spaces for scientific inquiry and foundational nursing education.
- **Clinical Training Grounds:** Direct access to the extensive healthcare network of CMH Lahore for hands-on experience.

### Extracurricular Activities:

We believe in nurturing the holistic development of our students, extending beyond the classroom walls. Our students have ample opportunities to explore their passions and talents through a range of extracurricular activities.
